

# Bring every subject to life.

**The New York Times**  
NYTIMES.COM

**16-WEEK  
DIGITAL SUBSCRIPTION**

**\$23.49**

**WEB + SMARTPHONE APPS**

With its variety of content and style, The New York Times can enhance a wide variety of disciplines.

Educators across the country count on The Times to help develop students' global awareness and critical thinking skills. No other news organization opens the door to every corner of the globe and fosters discussion and debate from a variety of experts quite like The New York Times.

At a low education rate of \$23.49, your students can have 16 weeks of daily access to definitive coverage of global affairs, politics, the economy, environmental sciences and the arts with:

- \* Unlimited access to NYTimes.com, including the finest news, videos, multimedia and more
- \* 100 articles every 4 weeks from the Archives of The New York Times
- \* Unlimited access to the NYTimes smartphone app

Other New York Times 16-week digital subscription options:

**WEB + TABLET APPS - \$30.99**

**ALL ACCESS (WEB + SMARTPHONE + TABLET) - \$53.49**
